A Word About the...

Sires and Service Bulls of the Cattle in This Sale

•

Some of the breeds most dependable sires are represented by the cattle selling here April 8. A partial listing goes like this, Calrossie Highland Fling, his get swept the N. Y. Fair in 1958; Burnton Anthony; Scotsdale Homeric; Burnton Rustler; Birmingham Dauntless 11th; Hayard Monarch and Kinellar Napoleon sires of many top cattle at Acadia; Louada Rampant; Glen Cove Cairnbrogie, consistant show winner 1960; BellvueGlen Leader x, 100% de-horner; Shadybrook Mariner 45th x;; Aberfeldy Alexander; Lynnwood Agent x; Forest Glen Royal Victor 2nd x; Edelyn Brave Knight, sire of last years champion Sale bull and Carona Aspiration x.

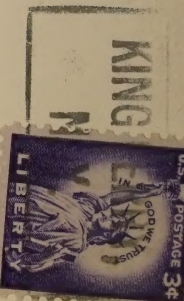

Grass is just around the corner. Across the entire world Shorthorns eat more grass than any other breed because there are more Shorthorns than any others. Why not let some of these good grass consumers go to work for you. Bred pure or used for crossing with other breeds these are the worlds most useful cattle. The 1960 Cornell bull test was topped by a Shorthorn, as other tests in other areas have also proved that Shorthorns are tops for fast, cheap gains.

GUARANTEE

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Association. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot. Neither the sale manager, clerk of sale, auctioneer, nor the New York Shorthorn Association nor any officers or directors of the same assumes any liability, legal or otherwise.
